PROFESSIONAL EXPERIENCE

Thesis Group Leader *July 2025 – April 2026*

System Development

- Led a team in designing and developing a Event Management System over a ten month timeframe, coordinating with stakeholders throughout the planning and execution phases to successfully complete the system.
- Developed an event management system that automated registration and scheduling, reducing manual coordination and enabling organizers to manage events more efficiently.

OJT Trainee - Bureau of Fire Protection (BFP) *May 2025 – July 2025*
in Tubao, La Union

- Created digital materials and performed computer maintenance, including PowerPoint presentations, organizational charts, layout designs, and ICT equipment inventory.
- Encoded and migrated client records using Microsoft Excel and the Bureau of Fire Protection (BFP) information system.

EDUCATION

Bachelor of Science in Computer Science *2022 – 2026*

Don Mariano Marcos Memorial State University – South
La Union Campus (DMMMSU-SLUC)

CERTIFICATIONS

- Passer, IT Passport Examination – Philippine National IT Standards (PhilNITS)
